Dear parents,

I am writing to inform you about the changes we plan to implement in the school from June 2017. This notice is to give you advance notice of the changes and to ensure that each parent is well informed about the same.

Please make note of the following:

- 1. Change in Curriculum:** We will follow the CBSE curriculum for classes 5-8. The decision to opt out of State board and switch to CBSE curriculum was presented to the newly formed Executive Committee in the meeting held on 15th December 2016. However classes 9 & 10 will follow the SSC curriculum. The number of divisions for classes 5-8 will increase to 6 and the class size will reduce to 45 students in each division. Thus the teacher student ration will be 1:45. The school will work in **one shift** (morning) and the timings will be 7.25 to 1.30 pm.
- 2. New Fee Structure:** In the meeting held on 7th January the members of the Executive Committee approved the new fee structure for classes 5-10 for the years 2017-18 and 2019. We are providing notice at this time to give you the opportunity to plan your financial arrangements in preparation for the upcoming year. The fee structure is as follows:

| Std. | Fees in Rs. | Curriculum |
|-------------|--------------------|-------------------|
| V to VIII | 48125 | CBSE |
| IX to X | 44275 | SSC |

- 3. Change in School Uniform:** The members of School PTA and the Executive Committee were informed and shown the new design of the school and PT uniforms which will be introduced from June 2017 for the students of classes 5-10. However the new winter jerseys will be made mandatory from 2018. But the students who plan to buy a new jersey in this year will buy the new design. The details of the vendor for the uniform and jerseys will be informed shortly.

4. **Remodeling of School Infrastructure:** The work of painting and remodeling of the school infrastructure will be done in the months of April and May in order to incorporate the requirement of new classrooms and other learning spaces.
