

## Student Leadership Conference 2018

Dear Principal,

We would like to invite your school to the **2<sup>nd</sup> Student Leadership Conference (SLC)** on the theme of **ME to WE: Igniting the Spirit of Leadership**.

**About the conference:** We believe the experience students gain from a leadership role in school is highly valuable. This responsibility immerses the students in an environment that encourages hands-on experience, offers a vision to think big and provides opportunities to voice opinions from a position of influence. Hence it's important to cultivate and simultaneously nurture a vision of effective leadership among children.

Our **Student Leadership Conference** is a highly engaging **three day residential conference** which aims to empower and challenge students to discover essential qualities within themselves that will help them on their journey of effective leadership. This conference will provide action based experiences and will aim to build leadership skills and attitude. The conference will also give opportunities to network with fellow student leaders, share and engage in experiences that will challenge them to develop as a leader.

### Conference structure

- **Inaugural program:** In the inaugural session the participants will get an opportunity to listen to young and dynamic leaders who have made a mark for themselves. The speakers will share their unique transformational story of leadership marked by experiences that shaped them.
- **Fun and Interactive Workshops** is the essence of this leadership conference. These workshops will be facilitated by presenters who have extensive experience of working with young students.
- **Entertainment:** There will be a theatre performance focussing on issues relevant to the students.

### Conference details:

**Who will participate:** A mix of students who are members of the student council (e.g. Head boy, head girl, Prefects or house captains) and other students who have displayed leadership potential but are not necessarily badge-holders. The delegation size will be 6 students from each school from Std. 9 and 10.
