**Notice: Revision in the School Fee for the
Academic Year 2022-2023 and 2023-2024.**

Dear Parents,

At the outset, let me thank you for your support and understanding as we, as a nation and community, responded to the unexpected invasion of COVID-19 pandemic with patience and resilience. We are proud of the way our students, parents, teachers, and helpers handled the challenges of the pandemic and yet continued to educate our students during the most unusual of circumstances.

During the pandemic our school management stood by the principals, parents and teachers through thick and thin. Throughout the pandemic the school management has extended strong support in terms of sanctioning a number of fee concessions to the parents who experienced financial losses or incurred heavy medical expenses due to Covid 19 and to the students who have lost an earning member. Moreover, the school management ensured that there were no layoffs & no deductions in the salaries of the employees of Kaveri Group of Institutes.

Despite the pandemic situation, the school management has established state-of-art infra-structure for the students, teachers & staff. Additionally, the management has extended technological support to the teachers for online school and also upgraded the tech infra-structure of the classrooms to facilitate future hybrid teaching learning processes.

We are a permanently unaided School permitted as a Self-financed School under the concerning legislation of the state government of Maharashtra and we rely on the fees alone for upkeep and the functioning of the school.

The school Management has proposed the following fees in accordance to the provisions of Section 6 Sub Section 1 B of

Dr. KALMADI SHAMARAO HIGH SCHOOL
