An Appeal to Support Underprivileged Kannada Medium Students

Dr. Kalmadi Shamarao High School (Kannada Medium), Pune

Dear Friends and Well-Wishers,

Since 1963, Dr. Kalmadi Shamarao High School – Kannada Medium (a government-aided institution) has been committed to educating children from migrant Kannada-speaking families in Pune. We currently serve 151 students from Classes 8 to 10, many of whom come from economically disadvantaged backgrounds.

Our vision is to open doors to a brighter future for these children—one that includes opportunities for skill development, independent learning, and holistic growth. To make this vision a reality, we must first ensure that their basic needs are met.

A healthy body nurtures a healthy mind. To support their learning journey, we aim to provide:

- Nutritious meals to keep them energized and focused
- Uniforms to promote dignity and belonging
- Safe transportation to ensure regular attendance

We invite you to join us in this mission. Your generous contribution can make a life-changing difference in the lives of these students—empowering them to dream big and achieve their potential.

You can donate by scanning the QR code below.

Thank you for standing with us and investing in the future of these young learners.

With gratitude,
