

I would like to express my heart felt gratitude to the teachers & Mavshi's for the love, patience, and care they have shown towards Chaevi throughout the year.

At the beginning of the year, she was not comfortable eating anything during school hours. However, with the teachers & Mavshi's constant encouragement and gentle efforts, she has gradually started eating at school which is a big achievement for us as parents.

As a mother, I am truly thankful for the role the teachers have played in helping her develop this habit. At home, I am still sometimes struggling to make her eat every thing because she has many food choices. I would really appreciate any guidance or support from the teachers that can help us encourage her to eat whatever is served on her plate at home as well.

Thank you Sapana teacher, Poonam teacher & Maya Mavshi & Snita Mavshi once again for your dedication, patience, & for taking such wonderful care of the children.

Warm Regards
